MEMORANDUM FOR: Legislative Counsel

SUBJECT : Senate Bill 2379

1. The captioned Bill has been reviewed by appropriate components of this Office and we find only one area that might be of concern. This involves the Amendment 1864, Unlawful Entry of Government Offices, and the stipulated unlawful entry of such offices after business hours.

2. As you are aware, this Agency and some others in Government maintain 24-hour duty staffs of one type or another oftentimes with only slight protection. Therefore, it might be hard at some future time to establish exactly when "business hours" occur. It is the opinion of this Office that the words "after business hours" should be deleted from the Bill, thus tightening it considerably and making it more meaningful.

3. It is requested that your assistance be rendered in an attempt to revise this Bill as set forth above.
